Our Vision for Children's Ministry

"Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord."

1 Corinthians 15:58

Our vision for Children's Ministry at Calvary Chapel of San Bernardino is to minister to the heart of each child, in support of the home, and to instill God's word into the heart and mind of each of our youth. In so doing, we're each called to be a loving, dedicated, and self-sacrificing vessel which the Lord may use. This often calls for self-evaluation, as we must be accountable to God's word in our own lives, before we can be a Godly example in the lives of others

"And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ."

Ephesians 4:11-12

To be effective we need to always be available to meet the children's needs for counsel, friendship, encouragement, and coaching in their Christian walk. We must make every attempt to know our kids thoroughly. Knowing their age/grade characteristics and developmental stages is important information to the teacher in providing the appropriate lesson plan and keeping good discipline in the classroom. We should also concern ourselves with their needs at home, how their doing at school, what their parents are like . . . Saved? Unsaved? . . . etc. In short, we must make ourselves experts at knowing how to affect these young lives entrusted to our care.

Also we're tasked with providing quality care for the little ones, and a quality classroom environment to enhance their opportunity to hear God's word, as well as afford their parents the occasion to attend services in the sanctuary, unhampered by child care responsibilities. The quality of care we give must be an example of Godliness and order in the home.

"And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus."

2 Timothy 3:15

4 Requirements For Being A Teacher

1. YOU MUST BE BORN AGAIN!

John 3:1-21

Must have been COMMITTED Christian for at least one year.

*"I tell you the truth, no man can see the kingdom of God unless he is born again."
John 3:3*

2. YOU MUST HAVE A CONSISTENT WALK WITH THE LORD

James 1:2-8 & Ephesians 4:14-16

No roller coaster lifestyle. Must have attended, ON A CONSISTENT BASIS, Calvary Chapel for at least one year to be a teacher, and six months to be a helper.

*"Then we will no longer be infants, tossed back and forth by waves, and blown here and there by every wind of teaching . . . "
Ephesians 4:14*

3. YOU MUST BE FILLED WITH THE HOLY SPIRIT

The Spirit must FIRST be filled in a person BEFORE it can be spilled out to others.

*". . . Instead, be filled with the Spirit."
Ephesians 5:18*

4. YOU MUST HAVE A TRUE LOVE FOR KIDS

The children are just as important as adults and should be treated with the same priority. Their needs, desires, disappointments and plans are as intensely felt as ours. They should be treated with love and respect. No person should fill a teachers spot simply because there is a need, but because God is calling you, and with His calling He will enable you. That means that He will shower you with a love to teach and a love for each and every child. With God's Agape love we can love them all, the lovable and the unlovable. **Love is a natural attribute when one is walking with the Lord.** 1 Corinthians 13 & Matthew 18:10-14

(And finally)

You must be FAITHFUL, RESPONSIBLE and TEACHABLE!

*"Take heed that ye despise not one of these little ones: for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven."
Matthew 18:10*

Doctrinal Beliefs

Your doctrines should agree with those taught at Calvary Chapel!

It naturally follows that as a teacher at Calvary Chapel you should be imparting to the children the same doctrinal concepts that their parents are being taught in the sanctuary. Realistically, we know there are different viewpoints on scripture in general, but in regard to major doctrine we should be in agreement.

Scripture is clear on this subject

"Fulfill ye my joy, that ye be like-minded, having the same love, being of one accord, of one mind."

Philippians 2:2

". . . . These promote controversies rather than God's work-which is by faith."

1 Timothy 3:4

CALVARY CHAPEL'S BASIC DOCTRINAL CONVICTIONS:

1. There is only one true God, who manifests himself in three persons:

God the **Father**, God the **Son**, and God the **Holy Spirit**.

- The three witnessed in Jesus' baptism. - John 1:32-34
- Commanded to baptize in the name of the three. - Matthew 28:19
- Jesus the Son, being spoken of as God. - John 1:1 & 1:14
- The Holy Spirit, being spoken of as God. - Acts 5:3-4

2. The Bible is the Complete and Inspired Word of God.

"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work . . ."

II Timothy 3:16 & 17

3. The Holy Spirit.

You must be aware of the guidelines in Scripture concerning the work of the Holy Spirit today.

(1 Corinthians, Chapters 12, 13 & 14)

4. End Times.

You must believe that God has a sovereign, ordained plan for mankind and that we are waiting for his return.

Policies

ARRIVAL TIMES:

Teachers MUST BE AT CHURCH 20 minutes prior to their class time to pray and prepare any materials for their class. Teachers MUST BE IN THEIR CLASS ROOMS ready to receive their early arrivals 10 minutes before service.

MEETINGS:

1. We have teacher meetings at least three times per year which all teachers are required to attend.
2. These meetings are important for:
 - * The unity of the teachers
 - * Airing and solving problems
 - * Keep events and curriculums organized
 - * Encouraging & inspiring each other!

ABSENCES & VACATIONS:

You must notify the Children's Ministry coordinator as soon as possible if you are unable to make it to your class due to sickness or any other reason. You will be given a list of current substitutes in which you are to call to find a replacement. None other than approved Substitutes on this list may be used for our classrooms! Once you find a replacement CONTACT THE CHILDREN'S MINISTRY COORDINATOR and notify him who your replacement is and which dates are affected. Faithfulness in your responsibility and communication with the coordinator are essential to furnish this fellowship with a consistent and organized CHILDREN'S MINISTRY!

NOTE: ANY AND ALL PERSONS (PARENTS, OBSERVERS, ETC.) WHO DESIRE TO REMAIN IN YOUR CLASSROOM FOR LONGER THAN NORMAL CHECK-IN TIME MUST BE APPROVED BY THE CHILDREN'S MINISTRY PASTOR

Thank you for doing your part.

WITHDRAWAL FROM THE MINISTRY

Should there come a time when you need to withdraw from the ministry, **please don't just disappear!** Let the children know that you need to leave, and if you feel lead, give them a simple reason why you're stepping down. We understand that personal problems and emergencies come-up, often without warning, but we do ask that you give as much notice as possible. **4 weeks** would be appreciated.

Teaching Responsibilities

1. BE PREPARED:

Know your material well. Know your format in advance. (i.e. what you're doing first, second, third . . . and approximately how long each activity should take.) Have your supplies and copies made before class.

2. ARRIVE EARLY:

Be in your class at least 20 minutes prior to service to prepare classroom and receive early arrivals.

3. LEAVE YOUR CLASSROOM CLEAN:

Chairs pushed in, use carpet sweeper if necessary, throw away extra papers. Erase white-boards, each desks if necessary. (tip: Have the children help, they need to be taught accountability too! And they love to help the teacher!)

4. FIND A SUBSTITUTE:

Contact the Children's Ministry Coordinator as soon as possible if you are unable to teach due to sickness, personal commitment, etc. He will give you a list of current substitutes to take your class. **But** it is **your responsibility** to call them and make arrangements. You need to inform your substitute what you're teaching on and then RE-CONTACT AND CONFIRM with the Children's Ministry Coordinator (otherwise, he will be *stressin'*! and it ain't a pretty sight.)

5. ATTEND REQUIRED TEACHER MEETINGS:

3 to 4 times a year we have teacher meetings where we'll fellowship, share and learn from each other. It is so enlightening to learn what other teachers are doing in their classes. You will glean from them and they from you! We also introduce new materials, clear up any confusion over policies, give teaching tips and suggestions.

6. KNOW YOUR AGE GROUP:

This is so important! Study your kids. Learn and know what their characteristics are. Each age group is a world unto itself, and HOW you teach a first-grader will be very different than a sixth-grader. They have entirely different comprehensive capabilities as well as emotional/spiritual maturities which will determine the **best** teaching approach!

7. STAY HUMBLE & TEACHABLE:

Never allow yourself to become lulled into a false sense of self-confidence. It is not you teaching, it is the Holy Spirit. Your talents, ideas and very words are from the Lord. If they aren't, you probably won't be teaching long! Remember, we are to always give glory to the Lord. And that should be our motive in teaching, not to show how good, smart OR talented we are; not to just fill a vacant teaching spot, but to bring glory to the Name of the Lord!

Duties Of A Helper

The duties of a Sunday School Helper, although often thought of as a "behind the lines" position is a much needed and understaffed ministry. The helper's position carries great significance in the spiritual lives of the children and is as important as the job of the teachers they support.

Helpers should be ready and available for the following duties:

1. Responsible to be in class approximately 20 - 30 minutes ahead of class time to assist the teachers in making copies, providing coloring materials, general materials for class use, etc. Plug in a music tape and start preparing the classroom.
2. Greet the parents, they need to know who you are. Position yourself at the door of the classroom. Check in and assign seating for each student.
3. Provide classroom discipline **FOR THE CHILDREN**, shush the talkers, suppress distractions from the classroom, the teacher needs their undivided attention.
4. Help the kids out with their various craft projects, etc. Our job is to equip them. Help them with their reading. Teach them to be good listeners.
5. Monitor bathroom requests! **NOTE: NO DRINKY, NO POTTY!** Please remember why we're here. Normally a child can go for three hours on the playground without using the restroom, they can certainly handle 1 1/2 hours in a classroom.
BE FLEXIBLE FOR EMERGENCIES - ESPECIALLY FOR THE YOUNG ONES. MAKE EVERY ATTEMPT TO HAVE PARENTS TAKE CARE OF THIS NEED PRIOR TO CHECK-IN.
6. Interface with the parents after class. It's our job to let the parents know how their children are doing in Sunday School. If there's a discipline problem, now is the time to let the parents know what to work on at home. Again, we don't do this to get back at the kids, we do it **for the kids**.

Two are better than one; because they have a good reward for their labour. For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up."

Ecclesiastes 4:9-10

Building Relationships With Your Students

*An important aspect of your position as a teacher is your relationship with the children. As you become familiar with the children in your class and build personal friendships with each one you will notice other benefits stem from bonding with your students . . . greater classroom control, less disciplinary problems, greater and deeper times of sharing and learning. You may also find that the children are more enthusiastic and inspired to study the word of God, and in turn, **SO ARE YOU!***

Some suggestions as to how you can build deeper, closer relationships with your children . . .

1. PRAY

for your children during the week! Make it a point to remember your children by name and pray for something specific concerning particular children from your class. Maybe you notice one child seeming sort of down, pray for that child specifically. Maybe another child was very wound up and had trouble paying attention. PRAY FOR HIM/HER! Is he/she having trouble at home or school? Are both parents believers? However the Spirit leads, be in prayer for these little lambs that God has entrusted to your care.

2. LEARN THEIR NAMES!

Make it a point to learn their names quickly, within the first couple of weeks. Take a copy of the sign-in sheet home with you and go over it. The Lord will quicken your memory! Truly, **HE DOES!**

3. LEARN SOMETHING NEW ABOUT EACH CHILD

Listen to what they talk to you about or share with you. Did they lose a tooth? Do they have a cold? Ask them about it next time you see them. For the "Teacher" to remember that they were sick last week confirms your love for them.

4. SHARE SOMETHING ABOUT YOURSELF WITH THEM!

Let the children know what's going on in your life. You got a new job, you've been feeling a little sick, your going to the beach next Monday. Just share your life with them. Don't be mysterious.

5. LOVE THEM!

Show them affection! With the younger ones get down on the floor during free time and play with them. Let them hug you and crawl in your lap during worship. Every child is longing to be close to the teacher, so make yourself accessible to them. The older kids become more inhibited with open displays of affection, so your sincere and personal attention is all you can give them.

6. PERSONALIZE YOUR MINISTRY

Go the extra mile and step outside the classroom. Find out the kid's birthdays and send cards or call. If a child misses class, send a "missed you" note or make a call. Randomly call a couple of students each week just to say "Hi", or remind them of some neat thing they said in class and pray together.

Building Relationships With Parents

It is a little difficult to build relationships with parents because your time with them is short. Unless a parent volunteers their time as a helper in class or makes it a point to get to know you and ask you questions, you really only see them briefly at the door. So make this time count!.

"When he came and had seen the grace of God, he was glad, and encouraged them all that with purpose of heart they should continue with the Lord."

Acts 11:23

1. GREET EVERY PARENT AND CHILD AT THE DOOR!

Parents are positively effected by a cheerful show of welcome and concern by the teacher. Introduce yourself with a handshake to any new faces! Make them, and their child, feel wanted and welcomed. This will set their minds at ease while they are in the sanctuary. They need to know their child is in a safe, loving environment and being ministered to at the same time they are.

2. SAY GOOD-BYE TO EVERY CHILD IN FRONT OF HIS PARENTS AT PICK-UP TIME!

Sharing some joy from the class or pass on one of their children's special qualities, characteristics or contributions they may have made to the lesson can be very encouraging for parents. It lets them know their child is not just another face to you. That they matter enough for you to take notice and interact with them. We know time is precious and we want to keep the lines flowing as people pick up their children, a few quick words at the door is enough . . . "Johnny, I sure liked the way you sang to Jesus today!" "Bye Mary, thanks for visiting us. I hope I get to see you next week!" CHILDREN LOVE THIS TOO! It reconfirms your personal interest in them and builds your relationship with them also.

3. INVOLVE PARENTS IN YOUR CLASS.

Plan a special teaching to involve parents as helpers. If you feel comfortable, ask for assistance from different parents with craft projects, cutting, pasting, etc. Maybe you need help planning a class party for the completion of a teaching unit. Creation, Noah and the ark, The fruit of the Spirit, whatever! Pull them in and get them involved in what their children are learning.

The Importance and Administration of Discipline

Discipline is Important for Two Reasons; **First**, it is important for the smooth operation of any program in which children are involved. You cannot permit one child to disrupt the whole group. **Second**, children strange as it may seem, like discipline. They translate discipline (when administered correctly) as a sign of security, and it also gives them boundaries, which provide order. Several rules must be followed if your administration of discipline is to be a success. They are as follows:

1. BE CONSISTENT: This is perhaps the most important thing to remember when discipling. The Teacher sets classroom rules, make sure that you are consistent in enforcing those rules.

2. SET CLEAR, REASONABLE RULES: The greatest downfall teachers can have is that the children don't know the SET rules of behavior. Be sure that the children know the set classroom rules and the consequences if those rules are broken.

3. ALWAYS DISCIPLINE THE ACTION AND NOT THE CHILD!: Discipline is best applied and remembered when the child knows that you are on his side, helping him improve his behavior. To accomplish this, you must let the child know that it is the **BEHAVIOR** that is wrong and that **YOU LOVE HIM!**

4. DISCIPLINE PRIVATELY; compliment publicly. Don't let the discipline ever publicly embarrass the child. Always deal with the child privately. Don't make an example of him.

5. THERE MUST BE A BALANCE BETWEEN LOVE AND DISCIPLINE: The child must know that you love him/her, and the reason you discipline is **for his benefit**. If there is any doubt that you love him/her, discipline attempts will do nothing but alienate him/her further. **If you have to discipline a child, make a concerted effort to show love in some way to him/her later on.** Remember to have a balance.

6. CONSIDER THE CHILD'S NEEDS! Are they being met? Can he/she see and hear well? Is he/she physically all right? Has he/she eaten? Is he/she well rested? Is he/she being pestered by someone? Take all this into account before you act.

7. DO NOT TAKE HIS MISBEHAVIOR PERSONALLY! So often we think that a child is challenging our authority (truthfully, HE IS!). But its not a personal challenge. This type of a child will challenge any "Teacher". To him you are a figure of authority of which he will check his limits on. So, with this in mind, calm yourself and deal with this problem ***positively!***

Steps To Discipline

This sequence of steps may be helpful to some of our new teachers. This is only a guideline to help you remember and know a plan of action to follow should you have any occurrences which require discipline. We do caution you to use your personal judgment and grace.

First Offense: WARNING

A verbal warning with a reminder of the rules or rule broken.
And warn them they may have to do a time out next time.

Second Offense: TIME OUT - (5 MIN.)

Follow through. They have been made aware of the classroom rules. If they continue to disobey they know it and need to see that the rules ARE enforced. Normally Head down at their desk.

Third Offense: REMOVAL FROM DISTRACTIONS

This Time-out is to get the teacher a much needed break from the source of distraction. Send child to the back of the Class. Take as long as you need to tell your story, or re-capture the class attention.

Fourth Offense: REMOVAL FROM CLASS

Direct the offender to a chair outside of your class, for the remainder of the service, or the remainder of the teaching time. (At your discretion.) If this is a preschooler, send for his /her Parent! He/She needs a baby-sitter.

Fifth Offense: CONFERENCE WITH PARENTS/PARENT

Give all information to your Coordinator or Children's Ministry Director for further action. Parents should **always be notified** of any misbehavior resulting in even the first Time-out, (Second offense). They need and should desire this information. Some will understand your need for order in your classroom and support and even appreciate this information, others however will not. But it is our responsibility to inform the parents of their children's misbehavior.

Prevention

(It's The Best Medicine!)

No matter how well prepared we are, **OR** what fabulous equipment we have, **OR** what wonderful Spiritual truths the Holy Spirit has given us to teach the children. If we don't have a disciplined class, chaos will rule instead of the ministering power of the Holy Spirit. Furthermore, children who have no discipline are often **HARD** to teach. If we make teaching **HARD** on ourselves, we lose our **JOY** and creativity and suffer from "**BURN OUT!**" In fact, our students become as "**BURNED OUT**" with us as we do with trying to teach them.

Truly, the best discipline is prevention The following are some preventive measures to aid you in the control of your class:

TRAFFIC CONTROL - NO GOING OUT OR IN: Seldom allow bathroom visits! All it takes is one child to start a "Potty Train!" This will probably be your most difficult "traffic control" situation. Just a reminder, most children above the age of 5 can hold themselves through an entire feature length movie. Yes, there will be that exception where a child really does have to go. Look for the tell tale signs; Squirming, etc. **When they DON'T notice you watching them!**

Unfortunately, some of our children have caught on to the idea that the teacher grants restroom trips to children who cross their legs, hold themselves, etc. With time you should learn which children are your regular requesters for bathroom visits, and it is with these children you need to be firm and tell them "After class"; "No now, please sit down". Bathroom requests will die down as the children come to know you are firm on this issue. Try to "put them off" and see if they don't forget. Simply tell them "later". If it's **REAL**, they'll come back "later!" **REMEMBER, BE FLEXIBLE FOR EMERGENCIES! - ESPECIALLY FOR THE YOUNG ONES!**

NO MOVING ABOUT DURING TEACHING: Be sure the children, especially the younger ages, remain in their seat or spot on the floor during story or teaching time. No getting up for any reason! (Need a tissue, ask a question, tattle on someone.) When a child attempts to do any of these they are instructed to return to their seat and wait till teaching is done. Do not acknowledge their explanation or attempt to listen to their request. In a kind and firm manner tell them to stay or return to their seat.

NO INTERRUPTIONS DURING TEACHING: For the most part, we recommend you have the children hold the questions till after the story or lesson is given. Then have your question and answer period. If you allow questions and comments during the story or lesson, it will draw out the length of time you spend delivering the body of your teaching, You will lose the interest of the majority of your children because you have dug out this portion of your class time.

KNOW YOUR MATERIAL: That means BE PREPARED! Plan your lesson format in advance. As a matter of fact, OVER PLAN! Have TOO many things planned for your class. If you run through your lesson and activity quickly you have the confidence of knowing you have something else to do. You won't be stuck trying to come up with some time filler that bores the children and has no bearing on the lesson you've just given. Also, knowing your material WELL enables you to have the confidence in delivering the material in a dynamic and interesting way.

CLASS PARTICIPATION: There is a great difference between **NOT ALLOWING** questions during your teaching (avoid the raised hands, etc.) and **YOU ASKING QUESTIONS** during your teaching or story. Have your students repeat certain key words or phrases. The younger ages, (preschool to 1st and 2nd grade) love to repeat funny or odd words. They love to make sound effects that will, if placed appropriately, add to your story. Simple yes or no questions **for the upper grades**, keeps those kids on their toes and awake!

BOREDOM: Sometimes we have trouble in our classes simply because the children are bored. We need to be constantly examining ourselves and our classes. Are we just talking the kids to death? Sure you can keep a kid nailed to his seat, with his mouth zipped shut and when parents come to the door, your class is in rock solid order! But have you made those kids your prisoners for an hour and a half?, or are they your guests? Do you present the word of God in an exciting new way? Do you yourself get excited about what you are teaching? Do a self critique of your class each week and be prepared to make some changes (Howard H. Quote)

HAVE ROAMING EYES: God does! Are they interested? Whose nodding off? Passing Notes? Visiting with a neighbor? See who needs to be challenged with a question. Pull those wayward ones back into the story.

SET DOWN RULES AND STICK TO THEM!: Keep them simple and be sure they are known and understood by all.

REMEMBER: Your No. 1 goal is to minister to children. You are not a baby sitting service! Our children are important to the Lord and He wants *them* ministered to as *much* as their *parents*.

Quick Solutions To Common Problems

SQUABBLING:

- DON'T become entangled in REASONING with the children involved! The younger (nursery to preschool) children are still self-oriented and UNABLE to "reason".
- Remove the cause of disagreement (toy, book, etc.)
- Give simple explanations to reinforce your instructions:

"This is a time to use indoor voices."

"What do you think Jesus would want us to do?"

HITTING:

- Make it clear NO hitting is ever tolerated FOR ANY REASON!
- The children involved should apologize to each other. Should one refuse he/she is to do a time-out, or you may HELP him/her apologize by saying the words for him/her and getting him/her to agree. If this child is particularly out of sorts, he/she probably should do a time-out.

A PROBLEM / AGGRESSIVE CHILD:

- With a consistently difficult child, the only solution is **MAJOR PRAYER**, and consistency. Consistently reinforce the classroom rules. React to the first infringement. While some minor problems can be overlooked (making faces, unwillingness to share) and allowed to pass, **DISRUPTIVE BEHAVIOR** or clearly breaking a classroom rule, cannot be overlooked!
- **Don't** engage in long explanations.
- **Don't** exhibit anger and frustration when dealing with this child.
- Point out the negative behavior and do time-out.
- If this child continues to repeat the same offenses, a word to the parents is suggested.
- **Do** establish a relationship with this child. Only with time and consistency can they conform to good behavior, let alone into Christ's image.

- **Do** pray for patience and extra love for this child and you will see, God is faithful to perform abundantly in this area of your ministry, as greatly as in any other!

CRUELTY TO ANOTHER CHILD:

Children can be cruel to each other. Rejection by one child or a group of children can hurt deeply. If you become aware of such a situation, a particular child being excluded or having difficulty fitting in.

- **Don't** berate or lecture the other children for their unkindness.
- **Don't** force the other children to play with the child.
- **Don't** fawn over the child, making him/her dependent on you.
-
- **Do** step in and give the child some attention.
- **Do** encourage the child with praise for some good action on his part.
- Make him/her a "helper" now and then.

CRYING CHILD:

- **Don't** embarrass the child by telling him he/she shouldn't be crying!
- **Do** let him know you love him/her and care about the situation.

REMEMBER

- **BE DISCERNING,**
too much coddling can encourage some to continue endlessly or even *increase* the volume and emotion!

- **DO** attempt to interest the child in some activity and divert his/her attention from his/her present trouble!

• **CRYING DUE TO ILLNESS:**

If the child doesn't feel well and is weepy, comfort him/her and direct the child to an out-of-the-way spot to lie down. If the illness is serious, (i.e. stomach flu) contact the hallway usher to get the parents.

NOISY CLASSROOM:

- Silent treatment, arms folded, tapping foot, etc.

- **CREATE A QUIET SIGN.**

Some teachers have as a classroom rule some known sign the teachers give which means the class is too loud and to cease all talking immediately or punishment begins This sign could be a finger on the lips or, a finger in the air, etc.

- Add on class time!

FRIENDS TALKING:

- Separate.
- Isolation (child sits out in hall silently for 10 minutes).
- Continued problems should be brought to the attention of the parents. If this is your intention and you inform the child, follow through!

CLASS CLOWN:

- If you have determined that you have a "Class Clown" you must understand that attention and laughter of his/her classmates is his/her sole motivation for his/her behavior in class. In order to achieve gratification (Laughter and disruption) he/she must be visible. First try time-outs, off by him/herself. If this does not deter your clown, try a session or two in the hall way with a helper. If you do not have a class helper, one will be made available to assist you in getting this child under control. In extreme cases, as a last resort, a brief expulsion may be necessary, but only after discussing with your Coordinator of Children's Ministry Director and the parents.

THE BOSSY CHILD:

- The signs of a bossy child; Usually a regular attendee or new is familiar with classroom rules but continues to talk out of turn, usually offering suggestions as to what to do. Tattles. Get out of seat. Helps with out being called upon. **This child** wants to be in charge of **your** classroom. Don't allow it! Consistent enforcement of the policies is required. Give this child an inch and they 'll keep on going.

Inappropriate Actions By Children's Ministry Staff

1. AT NO TIME IS IT PERMISSIBLE TO EVER SPANK A CHILD!

Not even your own, during class time! If **YOUR OWN** children are in your class you must discipline them in private.

2. NEVER yell at a child.

3. DON'T USE SCRIPTURE AS A WHIP. Scripture **IS** to correct, reprove, and train, (II Timothy 3:16) **BUT** it should be used to bring healing, not sadness. Your attitude in using scripture and delivery of it is the determining factor.

A Word On Parents And Discipline

A word or two of advice concerning your relationship with the parents of a child that needs continual disciplinary action in your class. This child is in your class regularly, and regularly requires some form of discipline two or three times each week. You will need to have a **working relationship** with the parents/parent of this child. Many times these children are in single parent homes and are going through a difficult adjustment period themselves in addition to their parents. Other times it is simply a matter of little or no discipline in the home. **Regardless** of the cause for this situation you need to develop a real relationship with the parents/parent. If they are new believers or members to the church, YOU may be their only personal connection at this time. . . . So pray for wisdom and sensitivity!

LOVE: Remember you are a tool that God desires to use, keep the love of Christ foremost in your thoughts and attitudes.

ACCEPT: This perhaps is the key to all else; the accepting of the PARENT AS THEY ARE, AND THE ACCEPTING OF THE SITUATION. As for the PURLEY UNACCEPTABLE BEHAVIOR, offer prayer and support instead of criticism.

RESPECT: When parents tell of their innermost thoughts and feelings, they are showing a trust and confidence in you the teacher that suggests great watchfulness that their confidence never be betrayed.

ADVICE: People don't actually want to be advised, they want SUPPORT! Only offer advice if solicited from the parent.

HONESTY: Parents appreciate a teacher who can be dependent upon to tell things as they are, the pleasant and the unpleasant; a teacher whose word is reliable. Speak the truth in **love**.

DON'T BE AUTHORITATIVE: Remember that parents can do their own thinking and deciding about what is best for their child. There is never just one right way of doing or solving problems!

UNDERSTANDING: Will carry with it the acceptance of the way the parents are thinking, feeling and doing. No judgment or criticism.

DO NOT CONCERN OR BLAME: This is a mark of real maturity when you can accept parents without judging them. This is key to Communicating with the parents without resentment.

SHOCK: Try not to let the parents know that you are shocked at anything said. Respond to surprises with the Biblical perspectives.

LISTEN: Listening can be active, dynamic and vital! It speaks, more loudly than words. Remember "God gave us TWO ears, and ONE mouth!"

Classroom Policies

(Use Guidelines)

Each classroom user must ensure the cleanliness and overall readiness of the classroom after each use. As we have minimal janitorial services in this area, all users are responsible to maintain its cleanliness at all times. These simple guidelines will assist you in this effort.

1. Clean all clutter from desks and shelves and throw away any left over craft materials that are not reusable.

Wash desks after messy crafts!

Please, NO GLITTER.

2. Empty all wastebaskets.

3. Vacuum as needed.

4. Erase all chalkboards/whiteboards.

5. Rearrange all chairs and desks to their original classroom format.

6. Replace all borrowed items to their original locations.

7. If you use it **clean it up!**

8. NO STICKY-GOOEY snacks.

Up-Stair Classes

IN ADDITION TO THE STANDARD CLASSROOM USE GUIDELINES, THERE ARE A FEW ADDITIONAL REMINDERS YOU NEED TO BE INFORMED OF DUE TO THE SANCTUARY'S THIN CEILING BEING YOUR FLOOR!

1. KEEP CHILDREN SEATED: Being that the ceiling over the sanctuary is thin, we ask you to keep your children seated for the majority of your class time. Any activity where the children would get out of their seats try to coincide with the adults worship time. The volume of the band is sufficient to play over your movement.

2. RESTROOM VISITS: IF you do happen to excuse a child to the restroom, (THIS SHOULD BE A RARE OCCURRENCE) remind the child to go down the stairs QUIETLY, or this privilege should be revoked.

3. DISMISSAL POLICY:

FIRST: MAKE SURE the service is COMPLETELY over.

DO NOT dismiss the children during closing worship or prayer.

SECOND: PLEASE, dismiss your children row-by-row. We want to limit the number of bodies on the stairway and eliminate any circumstances which might cause the appearance of a stampede! (or the sound of one, anyway.) Please be sensitive of parents waiting for their children, and release them first.

Inductive Bible Study Method

In the practical usage of the Inductive Bible Study Method, one must come to the text in an objective and systematic way, to discover what the text is saying. First to INDUCE or pull out the FACTS of the text, then we investigate why they stand out. The **IBS** method does not have the liberty to start with any "Premise" or "Springboard." "You must come to the text without personal biases to determine, "what does the text say?" The three steps to the Inductive Bible Study method are: **(1) Observation**; **(2) Interpretation**; and **(3) Application**.

(1) (Observation) What is the text saying?

- Select the context, Identify the Boundaries of the passage. Check other versions Etc.
- Read/Re-read; read approx. **5 Times**. G. Campbell Morgan would say 50 times!
- Note Observations. Record first Impressions.
- Observations in depth. (Five W.'s: Who, What, Where, When, Why, and How.)

(2) (Interpretation) What does it Mean?

- Why did he Write it?
- Briefly Rewrite the passage. Remember, Interpret Scripture literally. Study in Context.
- Let Scripture interpret scripture. Use your Cross-references!!
- New Testament takes Precedence. Do not take experience as doctrine unless is taught in by Jesus, practiced by the Early Church, and Instructed in the Epistles.

(3) (Application) How should I Respond?

a. Are there any:

- Examples to follow?
- Sins to forsake of?
- Commands to obey?

- Actions to take?
- Promises to believe?
- Errors to avoid

b. SO WHAT??!!

- What do I plan to do about it?
- What difference will this make my life?
- What Specific Plans can I make? Be specific--Challenge yourself to Change!
- How will I do it? Set some goals!

Lesson Preparation

A practice-proven method of spiritual preparation for the conscientious Sunday School teacher that will result in young lives being saved and filled with love and knowledge of Jesus Christ. Time requirements are approximately 30 minutes each day. It is recommended that your Sunday School material preparation time and your daily Bible reading time would be combined, as it would give the teacher a working knowledge for the material. It will also add fire to your lesson delivery having first hand experience with the Holy Spirit revelation in your own heart on the given passage.

MONDAY

First Step: Pray and ask direction from God. Open, Curriculum, find scripture text and close it. Open Bible and read lesson quickly. Read it again slowly. Ask God to show you the most important truths. Record your first impressions. Think about your lesson during the day.

TUESDAY

Second Step: Pray. Gather information, encyclopedia's and Haley's Handbook, etc. Ask who, what, where, when, why, & how.

Session Planning

Okay, You've already chosen your subject, topic that you're going to teach on; you've done a deep and thorough study. You're totally stoked and excited about what you're teaching and you're completely familiar with your material . . .

What's Next?

Teachers, consider these percentages when planning your class time:

- **WE RETAIN 10% of what we read**
- **20% of what we hear**
- **30% of what we see**
- **50% of what we SEE and HEAR**
- **70% of what we SAY**
- **90% OF WHAT WE SAY AND DO!**

QUESTIONS TO ASK YOURSELF:

1. What are the best ways to present the subject?
2. What are some activities that the class can explore the focus the focus of the session?
3. What supplies or equipment are needed?

NOW, GET IT ON PAPER! Write down your Lesson, the order of activities you've selected,

Gather and prepare any materials necessary,

Trouble shoot your agenda and look for problems . . . AND THEN PRAY!!!

THE TIME FACTOR: Remember to keep the factor in mind when outlining your session, Estimate a time for each step or activity as this will serve as a guide in selecting the appropriate activities.

Write out each activity you plan to do and approximate the time necessary:

CLASS TIME @ 75 MINUTES:

- WELCOME KIDS 10 MIN.
- WORSHIP..... 15 MIN.
- INTRO LESSON & MEM VS 5 MIN.
- MEM VS. GAME 15 MIN

- STORY DELIVERY 15 MIN.
- OBJECT LESSON 10 MIN.
- CLOSE & PRAY 5 MIN.

LESSON: Peter's Focus.

APPLICATION: Keep your eyes on Jesus not your circumstances.

VS: Trust in the LORD with all thine heart; and lean not unto thine own understanding. Proverbs 3:5.

STORY: Peter walks on water

OBJECT: Bowl of water, rock & a sponge.

FACILITIES! Consider the facilities and noise factors of your activities. This will limit your choices and time periods. We do any of our noisier, games, songs, etc. during worship time when we are less of a distraction to those in the sanctuary or over-flow/late arrivals seated in the foyer.

Sensitive Topics JUST A REMINDER!

Often times sensitive subjects come up such as . . .

HOLIDAYS: Halloween, The Easter Bunny, Santa Claus, Leprecauns, etc. are all delicate subjects that aren't meant to be taught in church. These topics will come up in your classrooms!

We as teachers must teach the truth in these areas. Some topics are better left alone.

CULTS: Mormonism, Moonies, Jehovah's Witness,

THE OCCULT: Astrology, Spiritualism, etc.

ALSO: Your teaching on Communion, Gifts of the Holy Spirit, Baptism, Debatable topics: Calvinism vs. Arminianism . . . Can you lose your salvation?, etc...

(If you're not clear on these)

Please consult with the Children's Pastor, as far in advance as possible, concerning these topics.

The Children's Pastor should always be consulted and given approval for any topics that will most likely cause

parents to ask questions of legitimate concern. He may wish to prepare and anticipate those few people who will "NEED TO

TALK TO THE PASTOR" if and when a delicate subject is covered!

Self-Evaluation

Evaluation is one of the most important steps in teaching. It is a positive support step and should not be considered a threatening experience. You will receive affirmation for what you are doing and sensitivity to what is happening in your class! Remember to stay flexible, "Blessed are the flexible, for they shall not be broken!" If you are willing to listen to God's Holy Spirit and open your self up to constructive criticism, your classes can only get better!

Some general questions to ask yourself at the conclusion are:

1. HOW WELL DID I ORGANIZE TO TEACH THIS CLASS SESSION?

- DID I remember to outline (on paper or make mental notes) my class session?
- DID I make all the necessary arrangements for materials and resources?
- DID I plan my objectives?
- DID I prepare my room and teaching equipment? Have craft supplies, video machine in place, flannel pieces pulled and in order, etc.
- Was I ready to receive my class or was I busily trying to get organized?

2. HOW WELL DID THINGS GO?

- What did happen? This question refers to the process.
- Did things go smoothly?
- Did the teaching activities blend or compliment each other?
- What worked well, what should be done differently?

3. WHAT HAPPENED FOR THE STUDENTS?

Remember, you won't have 100% of those kids attention, 100% of the time. But what did their faces tell you? Were you connecting with them? What interested them most? Where did you lose them?

Now, with these answers in mind, begin to pray and prepare for your next lesson

Pointers For Storytelling

1. KNOW YOUR MATERIAL!

- READ THE STORY A COUPLE OF TIMES to get a feel for the material.
- READ FROM VARIOUS VERSIONS of the Bible AND OTHER SOURCES.
- LOOK FOR ANY UNFAMILIAR, DIFFICULT WORDS.
- TELL THE STORY, DON'T READ IT!

2. ADD DETAILS

- GIVE TIME PERIODS or dates. Who was King, etc.
- WHERE DID THIS TAKE PLACE? What's the location, weather conditions, night time, day time etc.
- DESCRIBE THE SETTING; house, hillside, a boat on the sea, a prison cell; was it cold, damp, musty, dark. Were there rats, spiders and cockroaches?

3. BE ASSERTIVE!

Be bold with your material. Show your excitement You want the kids to see how excited you are about God's word! **Don't be afraid to take chances in class and risk feeling like a fool!** Your alternative is to play it safe, keep your composure, and basically have your kids lose interest in your class, AND YOU!

4. STAY AGE APPROPRIATE!

Make the lesson plan applicable to your children's lives or you'll lose them! Use vocabulary they can grasp.

5. INVOLVE THE CLASS

Get the kids involved. Ask them quick yes or no questions. For the younger classes you can have them supply sound affects. Whatever, just draw them in!

6. USE VISUAL AIDS

- Felt boards
- Flash-a-Cards
- Slides
- Costumes
- Objects or Props.

- Videos

7. GIVE IT APPLICATION!!!

We don't want to just give them knowledge. We want them to leave church having heard an old testament story, but able to apply an aspect of that to their lives today.

Using Drama In Your Story!

Simply put, drama is YOU. It's your body, your hands, your feet, your voice. And it makes all the difference in the world when telling a story. To most people, drama, (acting) doesn't come easy, and you may not feel comfortable with using a little drama in your teaching. It just may not be your style, and that's okay. You're still called to teach! But these tips are still good for you anyway! You'll find some suggestions that you'll feel comfortable trying in your next lesson, and who knows, maybe sometime in the future, you might find yourself using a lot of drama in your teaching.

BE A FOOL FOR CHRIST! GO AHEAD, RISK YOUR DIGNITY!

1. ACT A LITTLE

Place emotion in your story. If a character in your story is upset **reflect that in your facial expressions and voice!** HAPPY, SAD, ANGRY, FRUSTRATED, IMPATIENT. WHATEVER, just show it!

2. MOVE AROUND

Walk around. Move among your listeners. Stand in a desk for height. Be Zacchaeus up in a tree! Crawl under the desk to portray fear etc.

3. USE YOUR VOICE EFFECTIVELY

It is said that people read our body language **first**, our voice **second** and our words **third!** Your voice and how you use it is your second strongest tool in **story telling so use it affectively!**

- Raise it, yell (where your story dictates it)
- Lower it; whisper. Talk softly.
- Pause for effect.. Talk slow. Talk fast.
- Cry.

4. KEEP EYE CONTACT

Look at your listeners!

Have you got their attention? Are they responding?

Make one-on-one eye contact with as many as you can!

Had A Bad Week?

Quick Suggestions for Panicked Teachers

Had a bad week? How 'bout just a very, very, hectic week? As a teacher, this is bound to happen to you at some point in your teaching ministry. Here's the scenario . . . It's Saturday night. 9:30. You've been running all week. You can't believe it's Saturday already! Needless to say, you haven't even had a chance to study. (The highest abomination a teacher can commit!)

You're starting to panic . . . **Your head is spinning.** You're tired. You can't even remember WHAT YOU'VE BEEN TEACHING ON . . . *WHADYADO NOW???*

CALL IN SICK!!!!

MERCY, NO!

STOP Calm yourself and begin to **PRAY AS YOU REMEMBER YOUR COMMITMENT** . . . Not to the kids, not to the church . . . but to God! This is part of being a servant. It's not serving if it's at your convenience!!! Or as long as things are going well for you. Here is the test of a true servant . . . Can you continue to serve regardless of your personal trials and life's continual curves thrown your way? We understand major crises come up and some times we must step aside from ministry in order to endure the trial or major life change. But we must point out, that sometimes **GOD WILL MINISTER TO YOU AS YOU ARE MINISTERING TO THE CHILDREN** through these difficult times.

When you begin to serve. We guarantee you one thing . . . You're going to get attacked in some way. Satan wants to keep you from serving. He hates to see God's kingdom grow and lives being touched and changed by the Lord and His servants. Satan also knows that as a submitted servant, your life will be molded and reshaped more and more into the image of His Blessed Son, Amen. (that means SO BE IT!)

SO HAVING FOREWARNED YOU that this WILL happen . . . GET-A-GRIP, PRAY . . . AND CONSIDER SOME QUICK SUGGESTIONS . . .

QUICK SUGGESTIONS FOR PANICKED TEACHERS!

FIRST-THINGS-FIRST: Choose a Bible story! ONE YOU ARE FAMILIAR WITH.

SECOND: Review story and estimate time spent on delivery of message.

THIRD: With remaining time choose one or two activities to coincide with your story.

FOURTH: Remember to allow time for worship and snack (If you teach little ones).

PRAY: And remember This [week] too shall pass.

Memory Verse Games

START & STOP GAME:

Have the kids recite several times the memory verse selected. As they become familiar with it you then recite a portion of the memory verse yourself and the kids have to finish it. Do this several times and stop at shorter places so the kids end up reciting most of the verse themselves by the time you finish the game. TRY BOYS AGAINST THE GIRLS.

STEPPING STONES:

Cut pieces of newspaper/or construction paper to the size of stepping stones. Make a stone for each word in the verse you are teaching. Go over the verse until the children know it pretty well. The children take turns trying to cross an imaginary brook by saying the memory verse. As a child says each word to the verse a stone is put down. If the child gets stuck or makes a mistake they "fall in" and a new child gets a chance to try.

STAND-UPS:

Once your children have familiarized themselves with the days memory verse have "everybody stand up and repeat the verse who has eaten breakfast today" Or has blond hair, or has a dog for a pet, or are 6 (whatever age) years old, has lost a tooth, is wearing tennis shoes, etc.

ECHO:

Kids repeat the memory verse in a variety of ways. Short it, whisper, really fast, really slow, while turning around, etc.

MEMORY VERSE BALL:

Have children sit in a circle. (younger ones only) The children pass the ball from one child to the next saying one word of the verse as they pass the ball. Teachers, with the really little ones you have to help them with their word. After they've gotten the hang of it, let them toss the ball to whoever they want. Use a nerf ball, and allow older kids to stay in their desks.

HOP SCOTCH:

Use masking tape to make the pattern on the floor. Write each word of the verse on a separate card and tape them into each hopscotch box. Have the class form a large circle around the hopscotch area so they can see the words as the other children jump. As the children hop in each square, the class recites the verse as they go. Then ask for any children who wish to say the verse alone as they jump, its a good idea to remind the kids to jump slowly so the class can recite the verse.
